**MEMORANDUM FOR: Deputy Director for Intelligence
The Joint Staff**

**SUBJECT : Presentation Requested by the Director of the
Psychological Strategy Board**

REFERENCE : DDIM-63-51, dated 21 November 1951

1. We have received your invitation for a representative of this agency to present a briefing to Mr. Gordon Gray and about twelve key members of the Psychological Strategy Board staff on the Soviet capability in the field of atomic energy.

2. The Director feels that it would be inadvisable for a member of this agency to give such a briefing. He has emphasized, on a number of occasions, his desire to restrict the distribution of this very critical intelligence to that group of people who must know it.

This will confirm the informal telephone message from of the Joint Intelligence Group on Friday, 23 November 1951.
